

Leukemia Lymphoma Society Fundraiser 2021

What Are We About?

We are members of the Leukemia Lymphoma Society and we aim to fundraise to help the aim of our organisation as much as possible this August. As a global leader in the fight to end cancer, LLS is committed to doing more for blood cancer patients and families than any organization in the world. LLS's signature fundraising campaigns drive *critical* support for its mission, including a nearly \$1.3 billion investment in cutting edge cancer research worldwide since it was founded in 1949. Since the 1960s, survival rates for many blood cancer patients have doubled, tripled, or even quadrupled. We aim to keep this positive trend going through arranging resources. With your help, we will be able to!
